## Casual Encounters in Ottawa

You walk down the central passage, with a row on either side, their feet toward you, and their heads to the wall.

setteling in OTAWA ....

Ottawa's a family town, with fun to fit every personality

## Tim & Bill's NFL Uniform Project

Streed recalled that the English Recreation Officer proposed to the BROOKLYN Recreation Officer that the HMS SUFFOLK compete with them in boat races. He found one Russian who spoke good English and had quite a talk with him before meeting a blonde Russian girl. One day while Streed was on patrol the group saw a crowd on a street that was not under their jurisdiction.

## Text Only

I think Professor Angell died because he knew too much, or because he was likely to learn too much. The trip went ahead as scheduled, an act of solidarity or bravado at a moment when no one really knew whether Manhattan would have the heart to welcome outside visitors.
