## Home Page

Graduate Education: Education at the graduate level in an accredited college or university in the amounts shown in the table meets the requirements for positions at GS-7 through GS-11. Created by an anonymous user Imported from

## General Schedule Qualification Standards

The high school curriculum must be approved by a State or local governing body.

### Higher education

An applicant has 2 months of experience and 20 semester hours of college.

### Qualifications Recognition

Occupational Coverage A list of the occupational series covered by this qualification standard is provided below. Meeting these requirements is usually a separate process to applying for a job. The individual occupational requirements for some series make no provision for combining experience and education.

### Higher education

GRADE LEVEL OF EDUCATION GS-1 Enrollment in a high school diploma or General Education Diploma GED program

## General Schedule Qualification Standards

Such experience may have been gained in administrative, professional, technical, investigative, or other responsible work. Our Cambridge Pathway is for students aged 5 to 19. The following standards apply to white collar positions.

### Higher education

The following are examples of how education and experience may be combined.

### **Requirements and Qualifications for Teaching Abroad**

An IB teacher is expected to have both IB training and the relevant university-granted teaching qualifications. Financing an international education is not easy, and our financial aid resources are always popular. Assessment We design our assessments to be fair, valid, reliable and practicable.
