## **Japan's : the emergence of a new class of schoolchildren / Roger Goodman**

In view of these changes, also, the head offices were more inclined to allow their subsidiaries greater control over their own affairs, resulting in a relaxing of the Japan-centric international management practices noted by Hamada. An excellent contribution not only to the field of Japanese studies but also to anthropology with its increasing interest in areas of urban modernization and industrialized capitalism. Students traveled to the U.

It feels as if a party is surreally unfolding without the guests. This, plus the worldwide recession of the late 2000s, has brought about renewed stability but also renewed conservatism in the expatriate staffing of Japanese MNCs.

## **Japan's : the emergence of a new class of schoolchildren / Roger Goodman**

Why does a handful of returnee children raise a major social concern in this age of global travel and communication? These Gen Z adults have known Japan only since its so-called lost decade of economic stagnation. Dr Tuukka Toivonen is Junior Research Fellow at Green Templeton College, University of Oxford.
