### **Caste: The Origins of Our Discontents by Isabel Wilkerson**

Nazi officials, right up to Hitler, read and prized books by American bigots. For this reason, Cox contended that Cold War anticomunism worked to preserve the capitalist-rooted racial order, especially in the charge that the demand for equal rights for Black Americans was communist activity.

### **Caste**

It also came across as humblebragging, with the author boasting of her popularity at conferences. One of the most important points she makes is that racism is not just the personal hatred by one person, but a systematic abuse, often so deeply ingrained in society as to be oblivious to those in the upper caste.

### **Caste: The Origins of Our Discontents by Isabel Wilkerson**

In fact, the Nazis used American race laws to design their own system

### **Caste: The Origins of Our Discontents by Isabel Wilkerson**

It has done nothing to allay my fears that Trump is about to be re-elected.

with the author boasting of her popularity at conferences. One of the most important points she makes is that racism is not just the personal hatred by one person, but a systematic abuse, often so deeply ingrained in society as to be oblivious to those in the upper caste.

Coming across the passage above was a eureka moment, a lightning strike going off in my head. In other words, in precolonial Africa, unlike in India, the division of labor precipitated religious rationalization, not the other way around.

## Caste

Going into Caste: The Origins of Our Discontents, I had never thought about racism as a form of a caste system.

### Sean Casten for Congress

To see racism in America as being equal to, or even at times worse than, the Nazi Germany's treatment of Jews, is horrifying and eye-opening. The news was that white élites often despised the white poor more than they did Black workers.

### 'Caste': Under America's racial hierarchy lies a deeper system of division

This book is unflinching in its analysis and chilling in its comparisons.
