It highlights several recent lines of development in Carroll studies.

Lewis Carroll by Cohen, Morton N

In fact certain times were characterised for him by an almost obsessive socialising, hurrying about London visiting artists and writers and business associates, and his innumerable female friends, making more than half a dozen calls a day and fitting in theatre-visits and invitations to dine in between. A note in his journal says that when he met her again when she was older, he was delighted to see her but felt that she had changed, and not for the better.

The Real Lewis Carroll and Alice

The memoirs are lyrical in their evocations of the latter-day Merlin, half lost in his own vivid fancy, or the quaint creaky philosopher with a heart of unassailble goodness. The Story of Alice: Lewis Carroll and the Secret History of Wonderland.

A Myth in the Making

Philosophy 70 274 , 487—512.
