Charles C Thomas Publisher

Attorney: Do you know the difference between fact and opinion? In this case, the

agent laying the foundation was able to testify she heard the conversation as it occurred over the wire and testified at trial that the tape was authentic. His practice emphasizes white collar criminal defense work, and he has extensive trial and appellate experience in both federal and state courts. Due process considerations can also come into play in sentencing if the state attempts to withhold relevant information from the jury.
