

# Minoan religion - a bibliography

Inger Marie Ruud] - religious

Bibliographies: Ancient Religions  
Including: Mesopotamian, Egyptian, Hebrew, Christianity, Greek-Roman, Celtic, Zoroastrian, Gnostic, Hinduism, Hellenic, Buddhism, Manichaeism, Gnosticism, and others....

- This is a work-in-progress. If you have good citations, please send them. If you only want a portion, highlight it, then copy and paste the text into your word processor.
- **THIS IS NOT MEANT TO BE EXHAUSTIVE!** I don't have the six libraries I would like to add yet, so this is as thorough as I can make it, and it should give you a good place to start once I have more. I am still adding to it, so if you see something missing, or think there is a better way to do it, let me know. I will add it as soon as possible. (I am afraid that I will never get it all done, because the download is getting too big).
- I am not sure if I will ever get the entire thing up, because the download is getting too big. It will have to be done soon, because the download is getting too big.
- Search this page by author or key-word? Hit CONTROL + F, and the search function will bring you to the right place.

**Additional Readings for your future definition. These are the subjects sections added later. Use the search function to find them, as it is quicker than trying to scroll down and find a section.**
