### What is German Expressionism in Film? Defining the History and Style

The cool, roughly painted color scheme also lends to this sense of anxiety.

#### Neo

While the word expressionist was used in the modern sense as early as 1850, its origin is sometimes traced to paintings exhibited in 1901 in Paris by an obscure artist Julien—Auguste Hervé, which he called Expressionismes.

### Expressionism Movement Overview

In a broader sense Expressionism is one of the main currents of art in the late 19th and early 20th centuries, and its qualities of highly subjective, personal, spontaneous self-expression are typical of a wide range of modern artists and art movements.

### Expressionism Art Movement, Artists, Artworks and History

Together, these artists tapped into very raw, true and eternal questions, topics and struggles that had been stirring beneath the surface and which remain familiar to us even today.

### Expressionism Movement Overview

His work was characterized by vivid block colors, wide, contrasting brushstrokes and sharp, angular forms. Other German expressionist artists included Max Beckmann, , , and Otto Dix. I stopped and leaned against the fence.

#### expressionism

Among the other principal playwrights of the movement were , , , and , all of Germany. .
