Among the books which best expose Onfray's individualist anarchist perspective include La sculpture de soi : la morale esthétique The sculpture of oneself aesthetic morality , La philosophie féroce : exercices anarchistes, La puissance d'exister and Physiologie de Georges Palante, portrait d'un nietzchéen de gauche which focuses on French individualist philosopher. I mean by individualism the moral doctrine which, relying on no dogma, no tradition, no external determination, appeals only to the individual conscience. In the post-war years, there appeared the publication and activist writers such as.
