Rather, they suggest that exposure to media depictions of violence enhances the risk that the viewer will engage in subsequent aggressive behaviour. Results, however, would be limited to describing the phenomenon rather than predicting future behavior.

The Victorian sage : studies in argument : Holloway, John, 1944

After several amendments and quite emotional speeches from legislators, the bill was eventually approved by both houses and passed into law as the Abortion Law Reform Act 2008. The granddaughter of King George III, her father died when she was just 8 months old, and her three uncles also died, putting her first in line as heir to the throne.
