## Creighton University :: Aesop's Fables: 1880 to 1889

So he got up from his place and began dancing, but he cut such a ridiculous figure as he plunged about, and made such a grotesque exhibition of his ungainly person, that the beasts all fell upon him with ridicule and drove him away. Don't change a story that's meant to be yours to please other people. The best intentions will not always ensure success.

## Aesop's Fables: A New Revised Version : Aesop : Free Download, Borrow, and Streaming : Internet Archive

Not long afterwards the Horse, having become broken-winded, was sent by his owner to the farm.

### Aesop's Fables and the Rules of Engagement

This should be the first book to be repaired when we get money to repair books! You will always be looking for that accidental good-humour that should go with the brutality of any brutal man; for that allowance for all delicate things, including virtue, that should exist in any good diplomatist. The Snakes soon wished they had not given him permission to stay. It sometimes happened that the dogs failed to come up with the thief, and, abandoning the pursuit, returned home.

### Aesop's Fables

There are also stories of deformity of feature and a ready ribaldry of tongue: stories which as the celebrated Cardinal said explain, though they do not excuse, his having been hurled over a high precipice at Delphi. The texts are, as might be expected for musical texts, strong on rhyme and repetition. It was a long time before he came back to her.

### Aesop's Fable: The Horse and His Rider

So the Fox walked boldly up to the Lion. The Wasps said that they would keep guard and drive off thieves with their stings.
