Book Description: From the FDA review of RU-486 to the recent growth of fertility clinics to the rights of lesbian parents, women's reproductive lives are aggressively regulated by law and medicine. There are pages and pages of medical writings outing hysterics as great liars who willingly deceive. Many women have found themselves inappropriately terminated from.

**The Wandering Uterus: Politics and the Reproductive Rights of Women on JSTOR**

Then there are the lies leveled at fiction. She explains that she sent her story to the noted specialist and heard nothing back. The Greek physician Hippocrates is generally credited with first suggesting that hysteria was the result of a wandering uterus: the uterus, he thought, could detach itself and wander about the body, causing dysfunction by adhering to other organs.

**The Wandering Uterus Politics And The Reproductive Rights Of Women PDF Book**

I explained that the witch-hunts in Early Modern Europe happened to correspond to the invention of the social media of their day.

**The Wandering Uterus: Politics and the Reproductive Rights of Women on JSTOR**

Perhaps now, women will learn, once and for all, that their place is in the home.

**Wandering Uterus: Politics and the Reproductive Rights of by Cheryl L. Meyer**

I donate to a hodgepodge of organizations and causes.
