BP: How do you see yourself today in relation to your work? Roe and Moore are specialists in etchings, drawings and lithographs by modern British artists and rare art books, some with original graphics. Here, the jumble of buildings in the upper part of the contrasts sharply with the austere simplicity that surrounds the two saints. .

And yet, for all the sinister, latent violence of these details, and for all the roughness with which the bulk of the paint has been laid down, there is running through it all a disarming delicacy of line that gives definition to the forms. Of the London period still lifes, *Still Life with Bread and Fish* is perhaps the pre-eminent work.
