Brief History of the India

India accused Pakistan of supporting the insurgents by providing weapons and training. That summit collapses after two days, with both sides unable to reach agreement on the core issue of Kashmir.

India

Both countries have no interest in escalating to a full-blown conflict, but they also have to safeguard the power play and their respective electorate.

Milestones: 1961

Pakistan later lodged a compensation claim at the , accusing India for the incident, but the Court dismissed the case in a split decision ruling the Court did not have jurisdiction. Since august 1947, when the two new states were created out of British India, there has been almost uninterrupted conflict between India and Pakistan. The Pakistan controlled areas are collectively referred to as Pakistan administered Kashmir.
