Commenters stated that this change in supplemental rebates would lead to the states having to reevaluate their preferred drug lists to ensure that preferred drugs are most cost-effective. ANTT guidelines help standardise practice, technique and equipment levels.

Accepted Dental Therapeutics

Am J Clin Nutr 1980;33:328-32. We have observed that some examples of evidence or outcomes-based measures used by manufacturers in their VBP proposals may be derived by observing and recording the absence of disease over a period of time, reducing a patient's medical spending, or improving a patient's activities of daily living thus resulting in reduced non-medical spending.

Accepted Dental Therapeutics

We also do not believe that the requirement to perform the alternative rebate calculation penalizes a manufacturer for pursuing changes to a drug.
