Just because your home is an affirming place for a queer person does not make it an affirming space for that person to work. I took this, of course, as a teachable moment and dedicated as much time as I needed to unpack these things with my students.

### Maid In the USA

And sometimes I want to be a human being and just be mad and throw shade like everyone else. In journalistic speak this means he has one foot in the grave and whatever he says counts as a dying wish.
