## Issue 7: Women Empowerment

This early work revealed consistent, moderate relationships between most of these factors and children's cognitive development.

## The Changing American Family

Family is based on emotions and sentiments. They could be creative in finding ways to play.

## Family: Meaning, Characteristics, Function and Types

Strengthen national efforts, including with assistance from the international community, to promote the empowerment of women, inter alia, by: a Closing the gender gap in primary and secondary education by 2005 and ensuring free compulsory and universal primary education for both girls and boys by 2015; b Increasing the access of women and girls to all levels and forms of education; c Achieving a 50 per cent improvement in levels of adult literacy by 2015, especially for women; d Increasing the participation of women and bringing about a balanced representation of women and men in all sectors and occupations in the labour market and closing the gender gap in earnings; e Ensuring the reduction of maternal morbidity and mortality as a health sector priority; f Eliminating all forms of violence against women, in the domestic as well as in the public sphere; g Promoting programmes to enable women and men to reconcile their work and family responsibilities and to encourage men to share equally with women household and child care responsibilities.

## Reading: Theoretical Perspectives on Gender

By 1986 this same group — then aged 45-55 — had a 66. The Caldwell HOME inventory has proven a very useful research tool, but should be viewed as a starting point for more culturally appropriate measures in each developing country setting. If you meet with a female loan officer, you

Strengthen national efforts, including with assistance from the international community, to promote the empowerment of women, inter alia, by: a Closing the gender gap in primary and secondary education by 2005 and ensuring free compulsory and universal primary education for both girls and boys by 2015; b Increasing the access of women and girls to all levels and forms of education; c Achieving a 50 per cent improvement in levels of adult literacy by 2015, especially for women; d Increasing the participation of women and bringing about a balanced representation of women and men in all sectors and occupations in the labour market and closing the gender gap in earnings; e Ensuring the reduction of maternal morbidity and mortality as a health sector priority; f Eliminating all forms of violence against women, in the domestic as well as in the public sphere; g Promoting programmes to enable women and men to reconcile their work and family responsibilities and to encourage men to share equally with women household and child care responsibilities.

## Reading: Theoretical Perspectives on Gender

By 1986 this same group — then aged 45-55 — had a 66. The Caldwell HOME inventory has proven a very useful research tool, but should be viewed as a starting point for more culturally appropriate measures in each developing country setting. If you meet with a female loan officer, you

may make an emotional appeal by stating your good intentions as a means of appealing to the caring characteristics associated with femininity.

### **Parenting, the social environment and its effects on child development**

It uses the conflict approach to examine the maintenance of gender roles and inequalities. Family predictors of delinquency have been divided into two domains representing related, yet distinct, aspects of family functioning: 1 parenting practices and 2 family relationship characteristics.
