### Narrative Reframes: American Feudal Society

Fealty comes from the Latin fidelitas and denotes the owed by a vassal to his feudal lord.

### The 5 Social Classes of Feudalism

Samarrai's theory is that early forms of 'fief' include feo, feu, feuz, feuum and others, the plurality of forms strongly suggesting origins from a. They could retain a part of the agricultural produce, and they got protection from the landlords in lieu for the obedience they showed towards them. Towns and villages had many inns, and drink flowed freely.

### Feudal system during the Middle Ages (video)

The barons had to swear allegiance to the king before he could administer the lands lent by the king, thus ensuring his permanent allegiance to the king and his kingdom.

### feudal system

But today we confront a reality more reminiscent of the feudal past, with ever greater concentrations of wealth, along with less social mobility and material progress.

### Feudalism Social Hierarchy

The King had to answer to the Pope in those cases. Administration and law increasingly involved written documents, so that anyone who managed manors or was involved in courts or administration needed to be able to read.

### Narrative Reframes: American Feudal Society

But today the predominant and most influential group consists of those atop a handful of mega-technology firms.
