Apartheid

On 12 June 1986, four days before the tenth anniversary of the Soweto uprising, the state of emergency was extended to cover the whole country.

Democracy and Reconfigured Power in Africa

Overcrowding, increasing , and disillusionment resulted; urban blacks came to support a new generation of leaders influenced by the principles of self-determination and popular freedoms enshrined in such statements as the. International Terrorism and the Contemporary World. As once impregnable autocracies fall in North Africa, the people of sub-Saharan Africa can reflect on two decades of political turmoil and change.

African migration: trends, patterns, drivers

Because of the complex social organization of these groups, each member must adjust his or her actions and desires to the needs of the group as a whole.

Critical Issues Facing Africa: Terrorism, War, and Violence American Security Project

It particularly explores the role of development processes, state formation and policies in explaining trends and patterns of migration. The northwest and northeast corners of the continent experienced small declines along with most of central Africa.
