## A little book of western verse : Field, Eugene, 1850

Thittersa Zapkyos Brusiat Algior Soryam Ferozim Abdizoth Mulosin Belzazel! There are a few poems new to me that I enjoyed greatly; however, his poetic translations of some of Horace's poems and some poems of those in for me strange dialect left me flat. Different people create the circle various ways.

Other things that should be paid attention to during the work. . Surely I advise that the Master not overstep the mark too much with his demands and wishes and in so doing provoke Divine wrath, nor vacillate and show himself inconstant to the sly spirits, or even worse, accept conditions that they suggest to him

## A Little Book of Western Verse by Eugene Field

Libellus intituletur: It is necessary to consecrate the Book in which the names and Calls of the Spirits are written before using it, just as the old Magi did, whose consecrations forced spirits to appear in similar books; however, for us this practice is all too dangerous, particularly if such a book infortuitously fell into the hands of people completely unacquainted in this art.
