## A Dad's Path After Divorce Is Hard and Lonely

We are forced to become a wolf pack of one. Ask him for help reaching cereal on the top shelf or whether he knows the score of the game. I made breakfast every morning and woke and prodded everyone, even my then-wife, into motion and out the door.

## A Dad's Path After Divorce Is Hard and Lonely

If the kids are staying with you, then you need to take up the dual role of becoming the mother and father, which can be quite challenging. Perhaps they let the kids go to bed at 11:00 at their house, but your rule is lights out at 9:00.

## 12 Ways To Embrace Life After Divorce And Move On

Do not dwell on situations like this when they happen. Divorce does not have to equal messed up kids, a ruined life for you, or constant fighting with your ex. And while that can sound scary, it can also be exciting and liberating.

## Single Parenting After Divorce

Take financial advice from friends and family and start earning and managing. The kingdom I had created was crushed, leveled, abandoned in one 36 hour period. Even though there are many single mothers in the world today, you will still feel as though you are the only one.

## Coping With Life As A Single Mother, Parent After Divorce

All the citations given in the article are represented by a number and linked to the source. You are no longer a married woman with the protection that status offers in our society. It is irresponsible to ignore cries of help from your child.

## Single Parenting After Divorce

Who cares if McDreamy never calls you again? Do not let this get to you, it could make you feel bad about yourself. They need to see that you work hard to overcome obstacles and do not give up.
