The two become even more determined to avenge their loss. The user can rarely control the full extent of their abilities, and as such their subconscious will often regulate that power, leading to the creation of a second personality in control of that power. It allows him to manipulate the ash and control its temperature with his chakra to either burn his target to pieces or crush them under tons of pressure.

Kenji Futakuchi

Though the dōjutsu is mysterious to Boruto, Toneri Ōtsutsuki seemingly is aware of its capabilities and function, while Momoshiki Ōtsutsuki claims that it is a power strongly inherited from the Ōtsutsuki clan.
