### **Biography**

Une sorte de fresque identitaire qui retrace les différentes vagues d'immigration et fait une juste place. The larger end of the gallery contains a tier of pews, thirteen in number; and between the lower and upper end of the gallery, at this end, three vestries are suspended, most conveniently accessible from the rear of the church. Brown, Arthur Buies, George M.

## **Hochelaga depicta, or, A new picture of Montreal : embracing the early history and present state of the city and island of Montreal, illustrated by numerous engravings and maps**

Aided by the National School Society, in 1819 he established a monitorial school one in which the senior pupils taught the younger. This work is in the public domain in the United States of America, and possibly other nations.
