The Lenten Array, by A.S. Duncan

In the later medieval period, it seems that Black was the color of choice for Advent and Lent, both being penitential seasons when people were called to introspection, repentance, and renewal.

Do any churches use Lenten array, veil images from Lent 1 on?

Definitely check out his blog. I would suggest that the modern use of violet for funeral vestments can gain from being tied to the Advent usage of violet vestments.

The cultivation of penitential thought and action does not necessarily imply joining up with mendicant flagellants, however.

ZEPHYRINUS.: Lenten Array.

Even some find value in the Christian tradition and observe Lent. The special Ash Wednesday fast is transferred to the first Friday of the Ambrosian Lent.
