### Mental Health Needs Assessment Survey

Please to share with us how you would like to join our efforts. Since the beginning of 2015, 1,430 people with a history of mental illness have been shot and killed by police in the United States, according to a Washington Post database, almost a quarter of all fatal police shootings.

### Mental Health Needs Assessment Survey

In addition, you may also contact one of the in your area. The below survey is embedded and can be taken directly on this page. Although many jails have staff available to assess mental health needs among inmates, these screening methods can be inaccurate and result in inefficient use of jail-based mental health resources, which could disproportionately impact women incarcerated in rural areas.

### Human Needs Task Force

The findings may surprise you.

### Washington Child Care Collaborative Task Force

Please contact the following community partner who may be able to accommodate your donation: Please contact the Gifts in Kind program at the Rideau Rockcliffe Community Resource Centre. If you wish to lend your volunteer support to local community organizations during the COVID-19 situation, please visit Volunteer Ottawa for more information. The Child Care Collaborative Task Force C3TF was created by the Washington State Legislature in 2018 to develop policy recommendations to incentivize employer-supported child care and improve child care access and affordability for employees.
