Privatization Or Public Enterprise Reform?: International Case Studies with ...

There is no obligation under the Act to comply with the regulatory and accountability mechanisms that govern state entities. As much as a bureaucrat will find it impossible to distribute exactly the number of potatoes required to each province of this country, it is equally difficult for a bureaucrat to be located in a central government and to take decisions on local infrastructure.

Towards greater competition in Singapore's telecommunications

Central Government Fiscal Balance In percent of GDP Sources: IMF, World Economic Outlook; and IMF staff calculations.

From hub to tourist destination

What is the concealed political gain from this process? However, implementation did not materialise, and on 8 December 2017, the President appointed another special ministerial committee and a committee of officials to assist them to decide the fate of SriLankan Airlines with a deadline of two weeks, with a report due to be submitted on 20 December 2017.

Keynote Speech by Ms Choy Sauw Kook at the Singapore Aviation Safety Summit

The lack of incentives to improve their efficiency and productivity are therefore felt heavily by the government.

A case for privatisation: Why monopoly of public sector enterprises is a bad idea

Thus, they will only act if it is in their interest. Most developed countries make do with about 20 ministries.

A case for privatisation: Why monopoly of public sector enterprises is a bad idea

Despite some reforms in the 1977-2005 era, state enterprises still account for a significant share of the economy.

What are Public Enterprises ?

This paper contrasts the role of the government owners of the British and Singaporean national airline companies. Although the Department of Public Enterprises is supposed to improve governance in Public Enterprises Commercial Corporations, Government Owned Companies and Statutory Boards , by its own admission only 55 SOEs come under its purview. The board has received an unsolicited foreign-funded project, and work has commenced without a contract.
