The Expert Expatriate: Your Guide to... book by Melissa Brayer Hess

Running away from a difficult personal situation or financial problem.

New American Expat: Thriving and Surviving Overseas in the Post

Even if you are lucky enough to have a corporate move-planner to assist you, this book is a gem to help you get ready psychologically for the move and what comes afterwards. It offers country profiles and offers the perspective from both employer and employee. And if you think it is bad for you, just ask your spouse and kids.

Library Genesis 231000

As an adult, I was hoping for something a little more.

The New American Expat: Thriving and Surviving Overseas in the Post

Where in the World Are You Going? There are some great appendices filled with reference web sites and recommended reading, though much of it seems a bit old, so perhaps updated editions? To be at home anywhere on the globe, supplement it with a couple of books about the specific country where you are going. Hero Tales from the Global Frontier.

MARRIAGE WORKBOOK FROM SURVIVING TO THRIVING

Alot is common sense advice but when you are faced with the many decisions involved in an international move, clearly written common sense advice helps..

MARRIAGE WORKBOOK FROM SURVIVING TO THRIVING

A guide to extended travel with your children. Many firsthand reports from teachers. A guide to living and working abroad as a teacher.
