## Ireland's plants

Submitted by Michael Moore 2 on July 31, 2013 - 10:32am TJ like the name you chose , I picked up some fiddleheads from the market last year and served them as a side to some salmon and eggs. They have already bloomed this year, and this variety, whatever it is typically only blooms in spring. Water regularly and provide partial amounts of sunlight.

## Ireland's plants

The part of the plant needed to produce the desired dye color is not included.

Filesize: 54.73 MB

## Dyes

Iris Meaning: Faith, Wisdom, Valour, Appreciation of Friendship Irises are usually the first flowers of spring to bloom in my fairy garden. My favorite fairy garden flower. They perform best in rich, well-draining soil that stays evenly moist.

## Fern Folklore Fiddleheads Growing Ferns

Ferns offering a matching decoration for your garden with their feather-like leaves.

## Garden Guides

No Swiss cheese holes in the leaves? It has fronds of approximately 0. This plant is a popular garden plant in Japan, and people grow them between decorative rocks.
