For example, the 1971 raid of police headquarters in Siyahkal a small town in the Gilan province of Iran by members of the People's Sacrifice Guerrillas of Iran marked a change in the narrative of the IPO movement, inspiring the more violent factions of each group away from peaceful resistance and toward armed struggle. Much new research has taken place in this field as a result of the recovery of a large number of Ismaili texts. Besides highlighting the ideologies of each group, materials in the collection also describe how IPO groups were able to train their followers and operate covertly.

Journal of chemical and petroleum engineering. The content of these issuances ranges from announcements about protests, upcoming meetings, denouncements of the Pahlavi monarchy, and informational bulletins regarding political events and movements around the world. Abstract: This collection includes printed matter published by Iranian political opposition groups in exile relating to the social, political, and economic conditions in Iran, Kurdistan, and among Iranian students abroad from just before the Iranian revolution to the years following the Iran-Iraq war, represented in the form of monographs, booklets, pamphlets, journals, newsletters, and other circulars.
