## Elucidations of Holderlin's Poetry

But this assessment of Arnold overlooks the decisive precondition for the development of the theory of culture: Wordsworth's poetry exposes the divisiveness and finitude internal to the lyrical force, and more precisely unforce, affecting Arnold's own work as a poet during the first two decades of his career.

## Hölderlin

Die Grundbegriffe der Metaphysik: Welt, Endlichkeit, Einsamkeit. Frankfurt am Main: Klostermann, 1944; Elucidations of Hölderlin's Poetry.

## Martin Heidegger Key Concepts

Die Unbewältigte Sprache: Hannah Arendts Theorie der Dichtung. This is a welcoming gate to the nation, inviting you To travel forth into the distance, a place of promises And miracles, where the Rhine, like a mythological Animal, breaks its way downwards into the plains, And the jubilant valley leads through the bright Mountains toward Como, or off toward the open sea In the direction of the sun. However, looked at from another angle, metaphysics is also the way of thinking that looks beyond beings toward their ground or basis.
