### The Cosmic Encounter Board Game

It should be noted that some aliens are harder to play than others, and each card will rank a species on the level of experience needed to properly use them. It's not a role-playing-game, though ever single RPG'er that I've taught CE to has loved it.

### Cosmic Encounter Connector

Avalon Hill published their own version in 2000, but it was designed for 4 players and only had 20 aliens. Green decided to ally with the defender red , so the defending strength is now 6 3 + 3. It was the inspiration for Richard Garfield's famous game 'Magic: The Gathering,' but unlike M:TG, you only need to buy it once.

### Cosmic Encounter: Strategy and How to Play

At its core, Cosmic Encounter is a pretty simple game.

### Cosmic Encounter Connector

**Basic Gameplay** In the basic game, players are dealt two alien cards from the deck. Roberts, in whose name this award is given, invented the modern wargame industry almost single-handedly as a designer and the original owner-operator of The Avalon Hill Game Company. For example: Blue and purple allied with the attacker yellow , bringing the attacking strength to 9 4 + 3 + 2.
