**Economy of Rajasthan Archives**

However, a fast deceleration of the rate of growth of the agricultural sector of Punjab, has far reaching consequences for the rest of the economy due to interdependence of the sectors and is a crisis of unprecedented nature for those who are dependent for their livelihood on agriculture. However a fast deceleration of the rate of growth of the agriculture sector of Punjab has far reaching consequences for the rest of the economy due to interdependence of the sectors and is a unprecedented nature for those who are dependent for their livelihood on agriculture.

## Punjab

The was designed to relieve demographic pressures in the central parts of the province, increase productivity and revenues, and create a loyal support amongst peasant landholders.

## Rajasthan polity Archives

National-level policies have not helped. These problems were aggravated due to absence of training to use modern technology and vast illiteracy leading to excessive use of chemicals. It has caused of soil and rapidly depleted its nutrients.

## Punjab's economy: What went wrong? : The Tribune India

References Gill, Anita and Lakhwinder Singh 2005 : 'Crises of Agrarian Capitalism, Farmers Suicides and Responses of Public: Evidence, Diagnosis and Alternative', Government Policy Space GAPS Service Working Paper's, Centre for Economic and Social Studies, Hyderabad A. Health and welfare Punjab enjoys better health conditions than most states in India.

## Economy of Punjab, India

Monitoring level, trends and patterns of urbanisation in Maharashtra 1991-2011 , Indian Streams Research Journal , 4 6 , 1-12. The state of Punjab which was taken as a role model of development for other states, showed deterioration in the growth process in the nineties compared with

the eighties and the worst performance was of the agricultural sector.
