### 5 Tips for Losing Emotional Weight

The mind and body are very closely connected, and treating your body well is always important for mental wellness.

### Irresistible You: Lose the Emotional Weight

I use my thoughts to translate this to the world via language, visual arts, music, or any other means possible.

### Weight

Here are some ways to do that. Breathe, use affirmations, and connect to that inner child who can remind you about the pains that are ready to be released. If you want this support to be more structured, check out for weekly, monthly, and quarterly check-in prompts and guidance.

### How To Shed Emotional Weight — Laura Coe

In this episode, I'm sharing what it means to play small, how you play it small, and how to stop so that you can become Irresistible You. I have a sense, creative instinct, vision, gut feeling, or idea.

### Irresistible You: Lose the Emotional Weight

Thank you for your work here on the podcast and putting out such good content for us.

### What is Emotional Weight?

So it is with your body; those feelings need to go somewhere.
