## University of Glasgow

Welcome to Strathclyde, welcome to Glasgow, welcome to Scotland. Selected applicants will be invited to attend one of our Applicant Days as part of the admissions process.

## University of Glasgow

Finding Your Way happens in August and is for mature students who have accepted an offer to start studying at Strathclyde the following month! Over at the Student Union, you will find a Starbucks, The Yard bar — home to quiz machines, pool tables and regular social evenings, The Scene — selling hot and cold meals, Barony Bar — renowned for its cheap drinks and memorable student club nights, and Vertigo — where everything from lectures and exhibitions to live music events are held. All entry requirements listed here should be used as a guide and represent the minimum required to be considered for entry.

## University guide for mature students

The Mature Students Association has a common room, PC lab as well as silent study areas, which make me feel at home while at Strathclyde.
