## Porpoise Books - Strange

• "We're together." - Sally's choked up response, which raised another bout of tears and tighter hugs.

• Percy and Annabeth had to head back to camp around 5 AM, even more tired than before. Goodbyes had taken a good 30 minutes, and they almost didn't leave.

• Sally has messaged him 8 times over the course of the next day, just to "see if he was okay".

• She finally marked off the day on the calendar with a blue pen, instead of black, because she had him back...or as back as she could have him.

Yay! Okay, I hope you liked it!

I have so many more requests, so if you asked me for some, I'm trying! I promise! And I'll still take more, of course!
