New York. I DO judge a book by its cover. Having read some of the later books, I know the author seems to hits her stride and you get a fuller picture of the recurring characters.

**Three Complete Novels: A is for Alibi / B is for Burglar / C is for Corpse by Sue Grafton**

A New York Times bestselling author appears for the first time ever in an omnibus edition Old fans and new friends will welcome this collection of Sue Grafton's first three alphabet crime novels: A Is for Alibi, B Is for Burglar, and C Is for Corpse.
