Avraham Firkowicz in Istanbul (1830)

Among those visits, the most important was his stay in Istanbul for two years 1830-1832. Results and Perspectives of Research. He never termed his people as Turks, but very carefully separated them from the Rabbanite Jews, as well.

Staff view: Avraham Firkowicz in Istanbul (1830)

He had political obligations before his people living under very suppression of the Russian Tsardom. The academic world owes to this picturesque man three most important collections of Jewish manuscripts ever collected by a single man. He was the man, who virtually made the Karaites an ethnically self-conscious group, now accounted among Turks of the Kipchak sub-group, and who started the debates on the very Turkic origin of the whole East European Jewry.

The Trilingual Prayer Copied by Avraham Firkowicz: The First Hebrew, Judeo

This posed an ethnological problem before inquisitive minds of the age, leading one of whom was Avraham Firkowicz himself, as leader of the community, from what is now Western Ukraine.

Avraham Firkowicz in Istanbul (1830)

Tüm yurtıcı ve yurtdışı gönderimler PTT Kargo ile yapılacaktır. On the one hand Indo-European linguistic unity was discovered on the other hand people realized some similarities in the languages of what is termed the Uralo-Altaic region. Rabbanite Jews, then jealous of them, were still undergoing suppressions of the Russian officials.

Avraham Firkowicz in Istanbul (1830)

During his short stay in Istanbul in the Tanzimat Period produced there several important Karaite books in Turkish, and his activities in the Ottoman capital paved, in many senses, the way for far-going transformation of Karaite life there and in Russia, which ultimately helped rise of Turkic

nationalism.
