Estate planning 101: Your guide to wills, trusts and all your end

All legal content, insurance rates, products, and services are presented without warranty and guarantee. In some courts, a Family Tree will need to be included along with a list of assets. A trust generally involves at least two and often more people: the grantor, who creates the trust and is also known as the settler or donor; the trustee, who holds and manages the property for the benefit of the grantor and beneficiaries; and one or more beneficiaries who benefit from the trust.
