## GERD: Symptoms, causes, and treatment

Eventually the tissue becomes damaged. Different people are affected in different ways by GERD. We discuss the cases and create individualized treatment plans.

## Gastroesophageal Reflux Disease (GERD) Treatment

It is recommended only for those who do not improve with PPIs. If GERD is severe and not responding to other treatments, surgery might be recommended.

## Gastroesophageal reflux disease (GERD)

Learn about your health condition and how it may be treated. PPIs heal erosive esophagitis in many patients, even those with severe esophageal damage. Place 6-inch blocks under the head of your bed frame.

## List of GERD Medications (98 Compared)

Is there surgery to treat GERD chronic acid reflux? The current gold standard for diagnosis of GERD is esophageal pH monitoring.
