## How Theater was used in the Soviet Union

The models and exhibits of ice-breakers, autos, drills, apartments, factories and dams were simply material evidence of progress and prosperity.

## Soviet Russia (exhibition, 1960)

As already noted, these films were used like tools by the leaders in order to avoid resistance of the prevailing system

## Revolutsiiia! Demonstratsiia! Soviet Art Put to the Test

A trip to the exhibition will also inspire the activists of today to fight for a classless society where creativity and human potential can be realised in everyday life.

## The All

When the Paris international exposition opened in May 1937, reports on the Spanish civil war and the arrests and purges in the Soviet Union featured daily in the newspapers.

## Exhibition: Chernikhov: The Soviet

With a full colour catalogue and introduction by noted specialist, Dr Alla Rosenfeld, this exhibition will provide a reminder of the glory of Russian Art in the early years of the twentieth century and the breadth of talent of Yakov Chernikhov. As already noted, theater played a significant role in the Soviet Union.

## World History Connected

The clippings from the American press fill seventeen bound volumes GARF, f. He made it seem as if the controversy was part of the project.
