Vol. 7, No. 2, Jun., 2009 of Perspectives on Politics on JSTOR

Ambassadorial appointments are also portrayed as patronage, used as a reward for domestic political favors. *Boston College Law Review*, 52:4, 1147–1241. Bringing together a vast body of information, *Punishing the Prince* offers new ways of thinking about international relations.

Punishing the Prince

Rather, all quarrels were solely with Iraq's leadership. Princeton, NJ: Princeton University Press.

HEPPAS Books: August 2008

Drawing on a comprehensive database of over 100 million contributions made during state and federal elections since 1979, the CFscore methodology uses patterns of who gives to whom to recover ideal points for candidates and contributors using a joint estimation procedure analogous to the widely used methods to scale roll call data.

The self

Cabinet survival and competing risks
