To what extent have your views changed? Whitney Balliett's Collected Works should be a must-read for anyone who loves jazz. Interview Archive Click to view the complete archive of Jerry Jazz Musician interviews, including those with Will Friedwald on Nat King Cole pictured ; Philip Clark on Dave Brubeck; Nicholas Buccola on James Baldwin and William F. Balliett the most important chronicler of jazz ever--his ear for intense detail, his knack for rendering the mood of a performance, his love for the characters behind the music.

Collected Works: A Journal of Jazz 1954

You can be the first. .

Collected Works : A Journal of Jazz 1954

You have often written about the swing era players, but your very first New Yorker column in 1957 discussed Cecil Taylor. In this excerpt, Nanton writes about the 20th century currents that were important in shaping Keane's individual talents and personality.

Collected Works : A Journal of Jazz 1954

You managed to pack in a satisfying statement in each, just as musicians packed a lot into three minute recordings in the days before long playing records. Thus, as Balliett points out with justifiable pride, all of his jazz writings are now available in book form, i.
