## Münster (Diocese) [Catholic]

This meta description is 16 characters long.

### Prince

Over a 30-year period, Sunday Mass attendance declined over 50%. He zealously undertook the Counter-Reformation, invited the to aid him, and encouraged the founding of monasteries of the old orders, although he could not repair all the losses. There are 166 internal links on this page.

### Roman Catholic Diocese of Münster

Prince-Bishops' Palace in The of was founded by towards the end of the War about 795, as a of. In the north and north-east it bordered , and the est. A secret agreement between France and Prussia on 5 August 1796 had chosen the Prince-Bishopric as the Prussian compensation for the territories on the left bank of the Rhine lost to France.

### Roman Catholic Diocese of Münster

William of Ketteler 1553—57 was more Protestant than Catholic: although he regarded himself as an administrator of the old Church, and took the Tridentine oath, he refused to comply with the demands of Rome, and resigned in 1557.

### Prince

His successor, 1761—84, who was also Elector of Cologne, mostly left the administration of Münster to a young cathedral canon, , during whose administration the principality attained unparalleled prosperity. New York: Robert Appleton Company. Please help to this article by more precise citations.

## Prince

A page title is the first thing that shows in the search results so always use the title element. The dioceses were generally larger than the corresponding prince-bishoprics and in the parts that extended beyond the prince-bishopric, the prince-bishop's authority was strictly that of an ordinary bishop and limited to spiritual matters.
