Compulsory No More: Heterosexuality, Sexuality, and Coupling

Gender identity like physical sex is not always as straightforward as males who are masculine and female who are feminine.

Who's Gay? What's Straight?

It allows lesbians and gay men the freedom to contemplate what is good about being gay. This paralleled early-twentieth-century moves to standardize railroad track widths, time zones, business and manufacturing procedures discussed by Wiebe , as well as to test and regularize intelligence and femininity and masculinity. According to a 2008 poll, 85% of have only opposite-sex sexual contact while 94% of Britons identify themselves as heterosexual.

Heterosexuality

Irrespective of the individualistic psychological, physical, and emotional differences in such a preference, the maximum societies in the world hold on to the notion that heterosexuality that is sexual or romantic relationship between a male and a female is normal and correct. Paradoxically, this easy consumption reminds me of the very self-help books Ward critiques.

Urban Dictionary: Heterosexual

Campus Reform spoke briefly with Ward about her book.
