While some national socialist groups and Marxists already got into violent street fights with Marxists, the now legendary German-Jewish philosopher and essayist Walter Benjamin sat down and experimented taking hashish with his friends Ernst Joël and Fritz Fränkel. Our book has Leather Binding on Spine and Corners with Golden Leaf Printing on round Spine. Gestalt psychology, Karl Duncker, and the matchbox experiment While Benjamin and his friends experimented with hashish in , a group of psychologists around Max Wertheimer — also located in Berlin — were working hard on their ground-breaking theory about human perception which would later become famous under the name gestalt psychology.

## **An essay on hasheesh; including observations and experiments: 1886**

Did his observations and his insights during his cannabis highs inspire and positively influence his other work? Our book has Leather Binding on Spine and Corners with Golden Leaf Printing on round Spine. Hanna Arendt Benjamin was also friends with and influenced the writer Bertold Brecht. THERE MIGHT BE DELAY THAN THE ESTIMATED DELIVERY DATE DUE TO COVID-19.

### **What Hashish Did to Walter Benjamin**

A few pages with ragged edges from being opened roughly. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
