Ebele Oseye

Living in the shadow of grizzly bears, cougars and the other predators of the wilderness taught her about the dark side of nature, and taught her to accept her place in nature's order as their prey. In other instances, it is said that when solitary people drive on that street in the early morning, they briefly see the face of a white-clad woman in the rear-view mirror before she. We think we have culture, while those poor primitives out there used to kill and eat each other.
