Injudicious use of laboratory facilities in tertiary care hospitals at rawalpindi, pakistan: a cross

Since August 1947, India and Pakistan have fought three major wars and one minor war over territorial disputes. Among a myriad of other challenges faced by the incipient state the most pressing was of the resources needed to defend the new country.

The Bloody Legacy of Indian Partition

The summit was a landmark peace process and both countries came close to signing a joint declaration. The substantial non-Muslim minorities in both these provinces were the best guarantee that the Indian National Congress would see sense in negotiating reciprocal arrangements with the Muslim League to safeguard the interests of Muslim minorities in Hindustan.

The Indian

The general elections of 1970 on the basis of adult franchise revealed for the first time ever in Pakistan's history how regionalism and social conflict had come to dominate politics despite the efforts at controlled development. The West Pakistan army never planned the massive killing they were the Bengalis who if would not have been stopped had conspired to wreak havoc then in the wake of Sheikh Mujeeb's arrest. Methods The cross-sectional descriptive study was conducted during a three month period from April to June 2012 at AFIP and CMH Laboratory Rawalpindi.

The Indian

President Zia first initiative was to introduce amendments to the 1973 constitution that would secure his power over the parliamentary system

The Indian

On 2 August 1971, Time magazine correspondent sent a dispatch that provided detailed description of the destruction in East Pakistan. They have fought two inconclusive wars over the disputed region of Kashmir—the only Muslim-majority area to remain within India.
