### History of yellow fever

These cases occurred before the arrival of the schooner, to which popular clamor afterwards imputed the whole evil. Considering the age of the study participants that had IgG positivity for the viruses considered in this study, it can be concluded that these viruses were circulating very recently with high probability of active circulation.

### The Yellow Fever Epidemic

Business did not continue as usual.

### Dr. French's Report, newsclipping describing the Yellow Fever epidemic in Senatobia [Digital Version]

Those who can labor do well, for the most part.

### Volume 44

I have accordingly proposed that the enlargements of the city of New Orleans, which must immediately take place, shall be on this plan.

### The Yellow Fever Epidemic

The northern nations of Europe, at the head of which your Majesty is distinguished, are habitually peaceable.
