It turned out that Iowa State had a very good collection of these books and I was able to find nearly everything on his want list, plus some more he didn't have. Each page is checked manually before printing.

Glass Insulator

There were other colors however and these can be quite rare and valuable.

Vintage Glass Insulators

I currently own approximately 40 lamps that I attribute to Hemingray manufacture! Hemingray Glass Company has it's roots in Cincinnati, OH and their first factory was located there. These are very collectible because of their rarity. The museum was assigned to be the depository of the items that were dug at the site of Hemingray's second factory in Covington, KY.
