## Christo Coetze

The following afternoon, Coetze returned to the gallery and cut twenty-three paintings to shreds. We check out phones on average every 12 minutes and 50% of us think life would be boring without them.

## The Churchill Papers: A catalogue

First performance Forio Italico RAI Studio , Henryk Szeryng, Rome Radio Symphony, conducted by Rosbaud. Beginning in 2001, there was an effort to continue processing Exhibition files and their arrangement was changed to reflect the larger organizational structure of the institution as well as the increased number of records created in the planning of each exhibition. As in her earlier works, these paintings are distinguished by thickly layered, energetic brushwork and exhibit her interest in exploring the relationship between images and surface.
